**Subject:** RE: Dioxin/Furan core maps

Amanda.

For consistency with the other focused COCs in which core profile maps were made as well as for data completeness, we request LWG present all cores with D/F congener data in preparing the D/F core profile maps for all of the individual SDUs.

Thanks.  
Kristine.

**Subject:** Dioxin/Furan core maps

Kristine –

One of the action items from the 2/12 meeting with EPA was for Anchor QEA to provide maps showing the cores with dioxin/furan data in the SDUs where dioxin/furans are listed as a Primary COC in the 3/27/2014 table provided by EPA. Maps are attached, and a count of cores in each SDU is listed below:

- RM5.5E – 7 cores
- RM7W – 49 cores
